Chair of the Vancouver School Board, Mike Lombardi

Re: We support our local schools!

After years of underfunding, the BC government has recently implemented another claw back of money from the Vancouver School Board (VSB), which has led to a significant deficit. In addition, the BC government is pressuring the VSB to close schools by threatening to withhold needed seismic capital funding. The BC government pressured the VSB to pursue a Long-Term Facilities Plan that threatens schools in our neighbourhood.

I support our local public schools - Carleton, Bruce, and Gladstone. Our schools should not be closed.

I support the Vancouver School Board in its fight to secure sufficient resources for classroom education.

Sincerely,
